WEB: www.enviropaints.co.nz

Specially recreated paint suitable for Interior/exterior walls, offices, commercial buildings and rental properties. Also suitable for use on unpainted timber fences, pre-painted galvanised fences, farm sheds and roading barricades. Other colours available on request at extra cost. For painting over wood, concrete, fibrolite and texture coatings etc. Not recommended for roofs. Used extensively by property developers for the painting of commercial and rental properties, excellent thick cover. For cover over graffiti, generally one coat sufficient, suitable for spraying, rolling or brushing. *Buy now for a brighter future!*
